

# King's Daughters Greetings! Excellence

January - February 2021

## Feeding the Hungry

*Jesus said, "I was hungry and you gave Me food...  
as you did it to one of the least of these My brethren, you did it to Me." —Matthew 25:35,40 NKJV*

I greet all my family, friends and partners in the wonderful Name of Jesus Christ our Lord and Saviour.

### 2020 April to September Covid-19 Lockdown Outreach

Even in the midst of a global pandemic, that enforced a national lockdown in 2020, it did not stop us as a ministry to be active and fruitful. I got a call from a friend that **23 families had no food for days.**

God spoke to me to follow this up and *make a difference and show the love of Jesus.* God's Word says we must feed the hungry. I immediately followed this up and got to the right person that connected me with these families who were all staying on small mini-farms in Haakdoornboom, Pretoria. We also reached out with my

team in Wolmer, Pretoria North. Our hearts were moved with tears when we saw the need amongst these families they were in desperate for help.

At every place where we gave out food I preached the Word of God and prayed for the people. At some of the places, we even lead the people in praise and worship. We helped many to renew their faith and draw closer to God. I thank God for supplying finances from different sources to help feed all these people on a regular basis. To God be all the glory. It was very rewarding to be involved in this feeding program. Seeing the gratitude in the eyes of many burned deeply into our souls.

## Other Highlights of the last year:

**11 March 2020**—We reached out to the widows who were part of +-60 seniors at the Ons Tuis Home for the Aged in Riviera, Pretoria. South Africa. I shared this scripture out of James 1:27 AMP Pure and unblemished religion in the sight of God and Father is this to visit and look after the fatherless and the widows in their distress.

Many of them are traditional Christians and some of them hardly gets a visit from their children or family. We led them into worship encouraging them to clap and lift up their hands to the Lord. An anointed word was preached giving them hope and making sure that their hearts were right with the Lord. The seniors always enjoy the lovely small plate of eats and fruit juice that is served at the end of ministry. A token of love from Kings Daughters Team. The Lord led us to pray for the sick and those who had special needs.

**10 October 2020**—I got a personal invitation to attend a High Tea in The Orchards. To celebrate the forthcoming wedding of a beautiful young bride. My mandate was to minister and teach the Word of God. We read in the Word of God Titus 2:4 -5 that the older women must teach the younger woman how to love and be in submission, and take care of their husbands and children and how to take care of their homes. It was a beautiful and a very glamorous occasion

**22 October 2020**—Naomi Nkoko, a spiritual daughter of mine, teaches at the Hebron Thlasedi Primary School. We were invited to be a blessing to 23 young underprivileged boys. We were honoured to have the presence of the deputy head of the school and schoolteachers. The atmosphere was loaded with singing worship songs to the Lord and reading an encouraging Word from the Bible to all present. Each little boy received a bible and gift pack. The school headmaster later sent us a certificate that expressed appreciation to us making a difference in the community.

**24 October 2020**—Pastor Martie Coetzee of FGHL Children Ministry invited Dr Pearl Kupe and me to be speakers at her women's conference. The theme was Warrior Bride. The occasion was to generate funds to treat underprivileged children and give gifts to them. This event was held successfully early in December.

**5 November 2020**—Kings Daughters Of Excellence Women in Leadership Breakfast. A thought got to me and Pastor Marlene Steyn of Living Word Church, Montana to invite 15 dynamic woman leaders who are our personal friends in South Africa and give them a special treat at Ivory Manor Boutique Hotel, Rietvalleirand, Pretoria. We had a wonderful time of fellowship listening to wonderful testimonies. Each woman was blessed with a box of chocolates and Jean Gurthrie also blessed us with a gift from her beauty salon in Sandton, Gauteng. It proved to be a great success.

**3 December 2020**—Our last outreach to Susan Strydom Home for the aged in Colbyn, Pretoria was in 2019 when we celebrated Stella Eilard birthday. We felt it was time to visit them again to be a blessing. We had a wonderful time of praising and worshipping the Lord also singing a Christmas song and sharing the anointed Word of God. Many hearts were touched with tears flowing freely. We were there to share the love of Jesus and they could feel it. Even the head matron mentioned what difference we were making and that we were welcome back anytime. Each senior was given a gift and they enjoyed the Christmas party with tasty eats that followed.

## Kings Daughters Breakfast!

**14 November 2020**—The highlight of 2020 was our Kings Daughters breakfast held at the Lion's Den Restaurant in Silverton, Pretoria. We could only accommodate a 100 women due to the Covid-19 regulations in South Africa. The women were excited to be there and to see the stunning looking tables. We had a wonderful program with **Lydia Meshoe** as our speaker and Lenor leading in worship, and **Ivy Khoza** led us in receiving the offering. The presence of the Lord was tangible. Many woman said they could not wait for the next breakfast. This day was a phenomenal success! A special word of thanks to the **Kings Daughters team** that made this happen.

**18 December 2020**—Judy Gilmore is one of our board members. Her husband, Gary Gilmore, went to be with the Lord on the 9th of December, the same day that they arrived back from the USA. His sudden death was a big shock to all of us at Africa Missions office. To Judy, her two daughters and grandchildren we just want to pay our condolences.

Judy decided to go back to the USA on 18th of December. We want to thank her for her faithful service to Kings Daughters in South Africa. She produced all the promotional and material for our events as well as newsletters. Judy will still be helping in this regard helping us from Dallas, Texas, USA where she is living with her daughter. We pray God's hand of protection and blessing upon her life. We will miss her here in South Africa.

---

**2021**—I trust and pray that 2021 is going to be the best year for you. 1 Corinthians 3:18 MSG tells us, “We are being changed into His image from glory to glory.” Hallelujah! All of us are moving forward for God with nothing standing between us and God, our faces shining with the brightness of His face as we are being transformed into His likeness of our Messiah, our lives becoming brighter and more beautiful as God indwells our lives and we become like HIM.”

Matthew 3:2 John the Baptist was a voice for the Kingdom of God, Jesus was a voice on this earth up to the cross, let us be a strong prophetic voice in South Africa for 2021.

I want to encourage each one of you that **we will not stop being a voice in prayer, praying till we see heavens open over our nation.** We need a visitation from God. The prophets declared a great end time revival coming that would bring in a great harvest of souls. Let's trust God and be in agreement in prayer that when we look back at the end of this year we will be in rejoicing of what God has done.

I want to thank all our partners and friends for your prayers, participation during the year and financial support.

God has sustained us as a ministry that we have never been in the red financially since we started in 2006. Words cannot explain the impact this ministry has had in the lives of thousands of woman all over the globe not only in South Africa. I want to give HIM all the praise honour and glory for what HE has done for 2020 and what HE is going to do in 2021 I covet your prayers for this Ministry and for the team.

May God richly bless you all.

**Yours in His service**

**Rina Kinnear**

**And the King's Daughters Board**
